DUO HIV/SYLPHILIS RAPID TEST KIT LAUNCHING DATE: 24TH NOVEMBER 2015 VE NUE: DWORZARK FARM COMMUNITY HOSPITAL.

In an effort to intensify and increase awareness of HIV among women, adolescent girls and children, the First Lady of the Republic of Sierra Leone; Madam Sia Nyama Koroma together with the National HIV and AIDS Secretariat, National HIV and AIDS control programme, UNAIDS, WHO and UNFPA on Tuesday 24th November launched a Duo HIV/Syphilis Rapid Test Kit at the Dworzark Farm Community Health Centre in Freetown. This SD Bioline HIV/Syphilis Duo rapid test kit is an efficient and economical diagnostic tool that allows HIV pregnant women to be screened for both HIV and syphilis concurrently and delivers actionable results to clinicians at the point-of-care—enabling them to treat patients promptly on a case by case basis.
