

As a way of enhancing government's health care delivering system in the country, the National AIDS Secretariat (NAS) with funds from the Global Fund on 18th June 2012 handed over seven Hilux vehicles to the Ministry of Health and Sanitation.

These vehicles, disclosed by the Director of NAS, Dr. Brima Kargbo, were bought with fund made available by the Global Fund, a public-private partnership that gives support to the global fight against HIV/AIDS, Tuberculosis and Malaria. He added it marked the second such donations given to the Ministry by the Global Fund through NAS. The first batch was given a month ago.

Receiving the vehicles on behalf of the Ministry of Health and Sanitation, Minister of Health and Sanitation, Madam Zainab Hawa Bangura expressed thanks and appreciation for what she called "wonderful gesture" by the Global Fund, noting the timeliness of the donation of the vehicles to facilitate drugs delivery to PHUs across the country.

Minister of Health, Dr. Muhamed Ali, receiving the handover of 7 vehicles from the National Assembly (NAS) in the presence of the Minister of Transport, Mr. ...
